2,000 calories a day is used for general nutrition advice, but calorie needs vary. Additional nutritional & allergen information available upon request. Before placing your order, please inform your cashier if a person in your party has a food allergy. The following major food allergens are used as ingredients: Milk, Egg, Peanuts, Wheat, and Soy. Due to shared cooking & preparation areas, food comes into contact with gluten and animal products. Consumption of raw or undercooked beef, poultry, or eggs can increase your risk of foodborne illness. This is especially true for people with certain medical conditions. OREO is a trademark of Mondelēz International Group, used under license.
