2,000 calories a day is used for general nutrition advice, but calorie needs vary. Additional nutritional information available upon request. Before placing your order, please inform your cashier if a person in your party has a food allergy. Due to shared cooking & preparation areas, food comes into contact with gluten and animal products. Consumption of raw or under-cooked beef, poultry, or eggs can increase your risk of foodborne illness. This is especially true for people with certain medical conditions.
