FUN IS BORING. CHOOSE FUNNER.

Fun has lost its mojo. It's branded, packaged and planned. Funner is different. Funner, CA is different. It's a city where chance, choice and delight own the day (and the night).

From the ultimate relaxation of laps around the 400ft Lazy River to unmatched calm that comes from a massage or facial at The Spa at Harrah's, to exceptional dining like the world's largest Hell's Kitchen, Harrah's Resort SoCal is more than a casino. It's the spot that calls on a Tuesday and invites you to play hooky—and you answer. Fun is planned. Funner is discovered.

CODEGREEN

In 2003 we decided we weren't just going to say we were a green resort, we decided to **do something** about it.
For over 15 years we've been making big changes including:

- Our **1-Megawatt Solar Field** has produced 19GWH of power to date.
- 10 EV (Electric Vehicle) charging stations are located between the North Tower and the Parking Garage.
- 98% of all light bulbs converted to **LED**.
- 48 tons of materials **recycled** each month.
- ORCA Bio Digester/Composter Digests **10,000 pounds** of **food waste** per year.

CodeGreen is our all-encompassing effort to reduce our eco-footprint while enhancing our guests' experience.
By conserving precious resources, we give back on a local and global level — creating more ways for guests to win!

WE GO ALL IN ON GIVING BACK.

Our team members love the communities we live in and we go out of our way to lend a helping hand...or 200.

In addition to dedicating thousands in volunteer hours and in-kind donations to causes we care about, the Funner, CA team developed **All-in 4 Change**, a unique program that expands our reach and allows communities to choose the charities we help. Kicked off in 2015, voters selected 10 worthy causes to receive much-needed funds. Now celebrating it's 10th year, All-in 4 Change has continued to grow, giving away a record $250,000 in cash grants to 15 local charities.

Through time, energy, passion and commitment, Harrah's Resort SoCal team members continue to make us proud.

By the numbers

- As of 2025, over 2,400 nonprofit organizations received aid (cash and in-kind) from Harrah's Resort SoCal.
- As of December 2025, over 150,000 hours of volunteer time has been donated.
- Over $6 million in cash and in-kind gifts have been donated since 2002.
- We have adopted and cleaned up two public areas: Lake Wohlford in Escondido and Agua Hedionda Lagoon Park in Carlsbad.
- Since its launch in 2015, All-in 4 Change has donated over $1,392,000 to more than 60 worthy causes throughout Southern California.
